EWA

Eisenwerk Arnstadt

EWA Eisenwerk Arnstadt GmbH

Location: Bierweg 4 in D - 99310 Arnstadt

has produced proof, on 29th January 2016 during the course of the 4st recertification audit / monitoring audit / ISO 2015 delta-audit in accordance with ISO/IEC 17021-1:2015 (Conformity assessment - requirements for bodies providing audits and certification of management systems- Part 1), provide the certification organisation with proof that their existing environmental management system does comply with all elements of the standard listed above, DIN EN ISO 14001:2015 and this has been demonstrably and effectively applied in the company for the application area listed above since the *EMAS VALIDATION in 2000.

The *recertification audits (EMAS / DIN EN ISO 14001) took place on 13.02.07 / 22.12.09 and on 29.01.13 in Arnstadt carried out by the Health/Safety/Energy/Quality auditor/Environmental Expert Dr. Burkhard H. Krüning / D.B.K.-EURO-CERT-BERLIN.

All *environmental audits (EMAS / ISO 14001) since the initial audit in 2003, were carried out by the Quality/Environmental auditor Dr. Burkhard H. Krüning and W. Neudert (certification board). The environmental policy and the environmental management system stipulated in the corporate guidelines comply with the requirements of the current version of DIN EN ISO 14001:2015 "Environmental management systems", for the application area listed above.

****The certificate is valid from 29th January 2016 until the 31st January 2019.**

**A re-certification audit for continuing the validity period shown here must be concluded by January 2019 at the latest and a new certificate for the full three-year period will be issued afterwards. (Note: Certificates are only valid with an original signature and a numbered hologram.)

Berlin, on the 12th February 2016
(re-issue due to new certification basis)
